2. Wait until the Xbox One Controller drivers are automatically installed or manually update the drivers through the Device Manager.
100%

# 6. USING YOUR RAZER WOLVERINE TE

## REMAPPING THE MULTI-FUNCTION TRIGGERS (MFT) AND BUMPERS (MFB)

By default, each profile is mapped to a specific function as shown here.

**DEFAULT PROFILE**
Custom Profile

Y Button
M2

X Button
M1

B Button
M4

A Button
M3

ⓘ *The Xbox button cannot be remapped to the MFB or MFT instead, it will remove the current mapping. The sensitivity settings can be customized through the Razer Synapse for Xbox app.*

## USING THE TRIGGER STOP SWITCHES

The Trigger Stops allows you to activate the Left and Right Triggers faster by shortening their travel distance and reducing their response time (Active Hair Trigger Mode). To enable the Trigger Stops, simply slide the switches outwards; and to disable the Trigger Stops, slide the switches inwards.
Enable

Disable

# 7. INSTALLING RAZER SYNAPSE FOR XBOX

Step 1: Make sure your Razer device is connected to the USB port of your gaming console or PC.

Step 2: Download and install the Razer Synapse For Xbox app from the Xbox Store of your gaming console or from razer.com/software on your PC.

# CHROMA LIGHTING EFFECTS

Several lighting effects are made available for your Razer Wolverine TE when you download and install the Razer Synapse For Xbox app. Listed below are the lighting effects which you can customize to your controller:

| | Name | Description | How to set up |
|---|---|---|---|
| | Breathing | The lighting fades in and out of the selected color(s) | Select up to 2 colors or randomize colors |
| | Immersive | The LEDs will light up when the controller vibrates. | Select a color |
| | Reactive | The LEDs will light up when a button is pressed and will fade off after a specified period of time. | Select the length of time for the LEDs to remain lit. |
| | Spectrum cycling | The LEDs will cycle between 16.8 million colors indefinitely | No further customization required |
| | Static | The LEDs will remain lit in the selected color | Select a color |
| | Wave | The lighting will scroll in the direction selected | Select a wave direction |

Congratulations, you are now ready to use your Razer Wolverine TE. Have fun!

# 8. SAFETY AND MAINTENANCE

## SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Wolverine TE, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to support.razer.com for support. Do not attempt to service or fix the device yourself at any time.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

## MAINTENANCE AND USE

The Razer Wolverine TE requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab to prevent dirt buildup. Do not use soap or harsh cleaning agents.

# 9. LEGALESE

## LIMITED PRODUCT WARRANTY

For the latest and current terms of the Limited Product Warranty, please visit razer.com/warranty.

## LIMITATION OF LIABILITY

Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer's liability exceed the retail purchase price of the Product.

## GENERAL

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
